

# HORSE WOMEN

STRENGTH BEAUTY PASSION

Compiled by Melissa Sovey, author of *If I Had A Horse*

It is only rarely that  
one can see in a little boy  
the promise of a man,  
but one can almost  
always see in a little girl  
the threat of a woman.

- Alexandre Dumas -

*If* I had influence with the good fairy  
who is supposed to preside over the  
christening of all children  
I should ask that her gift  
to each child in the world  
be a sense of wonder so indestructible  
that it would last throughout life,  
as an unfailing antidote against the  
boredom and disenchantments  
of later years, the sterile preoccupation  
with things that are artificial,  
the alienation from  
the sources of our strength.

- *Rachel Carson* -

There is only one big thing – desire.  
And before it, when it is big, all is little.

- Willa Cather -

We have a hunger of the mind which asks for knowledge of all around us, and the more we gain, the more is our desire, the more we see, the more we are capable of seeing.

- Maria Mitchell -

Perhaps loving something is the only starting place  
there is for making your life your own.

- Alice Koller -

Animals were once, for all of us, teachers. They instructed  
us in ways of being and perceiving that extended our  
imaginations, that were models for additional possibilities.

- Joan McIntyre -

It is only rarely that one can see in a little boy  
the promise of a man, but one can almost always  
see in a little girl the threat of a woman.

- Alexandre Dumas -
